**Consent for Treatment:** I, the undersigned, a patient of Evans Medical Group, requests and authorize my attending physician and whomever he may designate as his/her associates or assistants, to administer such treatment as is medically necessary. I give my physician permission to give and receive prescription history information with pharmacies, other providers, and medication prescribing networks. I voluntarily consent to said medical care, evaluation and treatment, as well as any information release necessary to obtain such. This would include such services, care, diagnostic procedures, and/or medical treatments as the physician deems reasonable and necessary. These would include, but not be limited to, the performance of services involving pathology, radiology and immunizations. In the event that invasive procedures are deemed medically necessary, I further understand that additional consent will be obtained and this consent might be verbal or written as circumstances dictate. I am aware that the practice of medicine and surgery is no exact science and I acknowledge that no guarantees have been made to me as to the results of treatment or examination.

**Financial Obligation to Evans Medical Group:** I authorize payment of medical benefits to Evans Medical Group for services rendered. I understand and agree that I am financially responsible for the payment of all charges, that are my responsibility, for services provided, regardless of insurance coverage or other third party coverage unless waived by contractual agreements between Evans Medical Group and my insurer or if prohibited by state, federal laws or regulations. If the charges, that are my responsibility, are not paid within thirty (30) days of receipt of the bill, I agree to pay any additional expenses incurred due to the delinquent account, including billing fees, collection agency cost, and/or reasonable attorney fees if applicable, if the account is placed for collection. All returned checks incur a \$35.00 service charge or the maximum allowed by law, to be paid by cash or credit card along with balance of patients account within 10 days of notification by Evans Medical Group, or its assigned agent. Failure to comply and meet financial responsibility may also result in a patient discharge from practice. If you have a high deductible or cost sharing plan, you will be required to put a credit card on file with Evans Medical Group. You will get an email 5 days prior to charging your card.

**Patient Portal Access:** The Evans Medical Group Patient Portal is a communication service offered as a convenience to our patients. We reserve the right to change the terms, conditions, and notices under which Patient Portal is offered. Upon Registration and use of the Patient Portal, you acknowledge and agree that this message service is intended to facilitate dialogue regarding personal health matters. We reserve the right, in our sole discretion, to limit or discontinue your use of Patient Portal at any time and for any reason, including, but not limited to, your use of Patient Portal on behalf of another person. Family Access: The patient portal has a family access function allowing one email address as a log in for multiple users. Evans Medical Group will only enable "Family Access" if all adult (18+ years) USERS agree to be on one portal account.

**Medication History Authority:** I authorize Evans Medical Group to automatically import my medication history from a third-party source (i.e. pharmacies). In order to transfer your current and past medications to our new Electronic Health Records system we must have your authority.

**Privacy Notice (HIPAA):** By my signature below I acknowledge that the Health Insurance Portability and Accountability Act has been made available to me by Evans Medical Group and a copy provided, upon request, for me at my discretion. I hereby authorize Evans Medical Group to disclose information about myself (or another person for whom I have authority to sign) that is protected under federal law for the purposes of treatment, payment, and healthcare operations. The language should indicate that the exchange of health information through the Common Well network is a permitted use under HIPAA's Privacy Rule because the data is exchanged for permissible treatment purposes.

I acknowledge, that it is my responsibility as a patient or parent/guardian of Evans Medical Group to notify the office regarding any changes to the information provided verbally or contained within this patient information form to include insurance, mailing address, custody of minors and/or health information.
